Who are Guardsman?

Guardsman has been a leading expert in furniture care and repair since 1915. Our Outdoor Protection Product Warranties ensure that you can enjoy your outdoor furniture for what it was designed for — entertaining friends and family, without having to worry about what might go wrong.

How do I make a claim?

2. Be sure you can identify the cause of the accidental stain or damage
3. Have the invoice for your furniture and Guardsman Warranty handy

How does the claim process work?

Our customer service team will investigate a number of options to find the best fix for your stain or damage.

- First step is to see if we can clean or repair the affected area
- If the claim is more complicated we may look to replace the area, ie: replacing cushions or covers or recovering the area with new fabric, replacing wood or metal panels.
- In some instances, if it's a really big problem, we may even replace the full piece of furniture!*

Is there any fine print I should know about?
